Operationalization of WFP-SADC MoU

Adapting & scaling-up to urban contexts

Increased use of technology to transform business practices

Achievements 2020

Efficiency through Anticipatory Action

USD 99 million invested in advance procurement

USD 6M saved due to early procurement

83-day reduction in supply lead-times

Key results

20.6M beneficiaries reached

460K MT food distributed

USD 162M cash distributed

Highlights

Operationalization of WFP-SADC MoU

Adapting & scaling-up to urban contexts

Increased use of technology to transform business practices

USD 99 million invested in advance procurement

USD 6M saved due to early procurement

83-day reduction in supply lead-times

20.6M beneficiaries reached

460K MT food distributed

USD 162M cash distributed
Seasonal Outlook

Cyclone Projections

Tropical storms are more frequent & intense

Eight tropical systems with three months left of the cyclone season

Rapid progression of tropical systems compounds the impact of subsequent storms
Sustainable Food Systems

- Provide adequate & affordable nutrition
- Support sustainable livelihoods
- Adapting to climate change & minimizing environmental risk
- Protect natural resources

SUPPORT ON FOOD SYSTEM SUMMIT PLANNING
ANALYSIS OF CLIMATE CHANGE IMPACTS ON FOOD SYSTEMS
TECHNICAL ASSISTANCE FOR REGIONAL SUPPLY CHAIN INTEGRATION
**Food Systems**

**Private Sector Partnerships**

**Aggregation**
South-South cooperation public-private partnership in the Republic of the Congo builds value chain for industrialized cassava flour linking smallholder farmers

**Production**
Partnership with Zambia breweries supports smallholder production and market access

**Transformation**
Tanzania partnership with Sanku is helping to build capacity among millers to fortify flour

**Consumption**
Support the implementation of sustainable school meals that include food quality, safety and training

**Distribution**
WFP working with 30 manufacturers on processed foods to improve commodities and supply chains
Protection
Refugees

Updates

96,000 refugees from the Central African Republic

Joint UNHCR collaboration on the Programme & Targeting Hub in DRC, Mozambique and Zambia
