### REGIONAL SITUATION

- **Venezuelan migration** is forecast to reach 6.5m in 2020 (RMRP 2020)
- **USD 1.35 billion** are required by the humanitarian community to support 4 million Venezuelan refugees, members of hosts communities and returnees from Venezuela in 2020 in Latin America and the Caribbean (RMRP 2020).

### OPERATIONAL UPDATE

- **Colombia L2 Emergency Response**
  - In 2019, WFP Colombia supported 1.3 million Venezuelan migrants, Colombian returnees and hosts communities.
  - In 2020, WFP Colombia plans to scale up its assistance to reach 440,000 beneficiaries each month. USD 150 million will be needed.
  - Main findings from the *Emergency Food Security Assessment* carried out by WFP in Colombia in 2019 indicate that 55 percent of migrants in Colombia are food insecure, and that access to food is the main driver of Venezuelan migration. Food continues to be the main need for most migrants (67 percent) as they reach Colombia.
  - WFP is currently revising its assistance plans to guarantee the safety of beneficiaries, WFP staff and partners amidst the COVID-19 pandemic.
