Please read the following consent form before the survey:
We are conducting a survey with the aim of having a better understanding of the living conditions of the displaced and the host communities in Ukhia and Teknaf. I would like to ask you some questions about your family. The survey usually takes about 40 minutes to complete. Any information that you provide will be kept strictly confidential and anonymous and will not be shown to other people. This is voluntary and you can choose not to answer any or all of the questions if you want; however we hope that you will participate since your views are important. Do you have any questions? May I begin now?
