

Critical draft decisions for proposed delegations of authority and amendments to the WFP General Rules

Board approval is sought for

Draft decision (iii):

- approves proposals on the delegations of authority to the Executive Director (paragraphs 36-51) and the approval by correspondence procedure, to be used when appropriate, for revisions to CSPs and ICSPs that necessitate the Executive Board's approval
- approves the delegations of authority set forth in annex III of the update on the Integrated Road Map
- decides that the Board may further revise the delegations of authority following a review of them at the 2025 First Regular Session, without prejudice to the Board's authority to conduct such a review at any time

Draft decision (v)

- approves the multi-country strategic plans concept set forth in paragraphs 73-77
- approves the required changes set forth in Annex IV to General Rules II.2, General Rule X.2, and General Rule XIII.4
