## EVALUATION FUNCTION

An overview of progress towards the outcomes set out in the WFP Evaluation Policy (2016–2021)

### EVALUATION COVERAGE

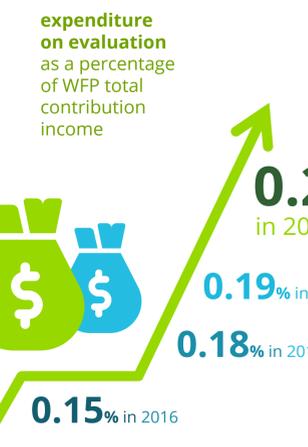

### EVALUATION QUALITY

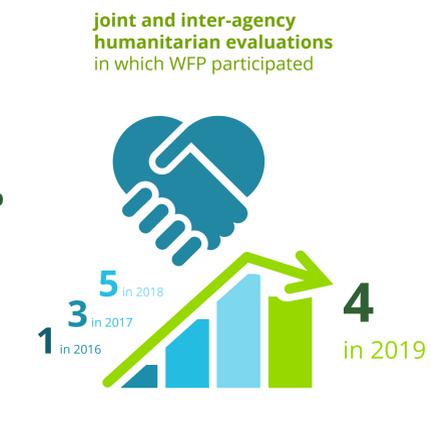

### EVALUATION USE

### EVALUATION FUNDING

### EVALUATION PARTNERSHIPS

## EVALUATION PLANNING

Building on achievements so far, WFP has identified key priorities for 2020 and beyond

Expanding evaluation coverage, in particular through country strategic plan evaluations and impact evaluations

Developing cutting-edge quality assurance systems and enhancing use of evaluations

Engaging in global and regional initiatives to enhance evaluation capacities and promote evaluation use

Implementing the WFP Evaluation Capacity Development Strategy and building a cadre of evaluation professionals
