ARE YOU READY FOR THE MONSOON RAINS?
If you are in an area at risk, make sure to...

1. Prepare for evacuation in advance
2. Be alert for warning messages / official evacuation announcements
3. Save the emergency hotline number 117
4. Evacuate immediately after warning signs or warning messages / evacuation announcements
5. Follow the COVID-19 related guidelines at safety centres
6. Take care of your health and safety

117 (emergency), 1390 (COVID-19) or 1990 (ambulance)
