

PREPARING FOR EVACUATION DURING THE MONSOON RAINS

Identify evacuation options (friend's / relative's house)

Find out which safety centre you belong to, if evacuating to a safety centre

Identify the time required to travel to relative's house / safety centre

Prepare a disaster evacuation kit

Disconnect and place electrical appliances off ground level

Make sure your phone battery is fully charged

Store school books and other important documents in a safe place

Prepare an inventory of household valuables, endorsed by your Grama Niladhari
