## Partner Testimonial

"It immensely helped our organization, AGBU, to deliver covid-related aid to Armenia, a country which is highly affected by the pandemic. The cargo shipment was arranged in a rapid and very efficient manner, thanks to a dedicated and professional team of WFP, Liege Hub and JAS. It supported our organization to reach out to more vulnerable groups, hit by this pandemic, such as refugees and people living below poverty line. Thank you very much WFP team for your professional work!!" - Maria Simonyan AGBU Europe
