An overview of evaluations completed in 2016–2020, contributing to the strategic priorities of WFP.

**EVALUATION EVIDENCE**

158 evaluations completed over a five-year period

Centralized evaluations: 73

Decentralized evaluations: 85

80 Countries covered by WFP evaluations

92% countries covered by an evaluation

**EVALUATION FUNCTION**

An overview of progress towards the outcomes set out in the WFP Evaluation Policy (2016–2021)

**EVALUATION COVERAGE**

- Policies evaluated
- Active policies evaluated
- Within 6 years of implementation start

- First generation country strategic plans evaluated
- Ongoing emergency responses evaluated within the previous 12 months
- Implementing emergency responses evaluated within the previous 4 years
- Implementing first generation country strategic plans evaluated
- Implementing country offices that have completed at least 1 decentralized evaluation in their current CSP/ICSP cycle

**EVALUATION QUALITY**

- Evaluation reports rated in PHQA as "meeting requirements"/"satisfactory" or higher

- CIP concept notes reviewed and commented on by WFP Office of Evaluation

- Implementation status of internal and external evaluation recommendations due for implementation

- Implementation status of external evaluation recommendations due for implementation

**EVALUATION USE**

- Expenditure on evaluation as a percentage of WFP total contribution income

- Joint and inter-agency humanitarian evaluations in which WFP participated

**EVALUATION FUNDING**

- Implementation status of evaluation recommendations due for implementation

**EVALUATION PARTNERSHIPS**

Building on achievements so far, WFP has identified key priorities for 2021 and beyond

- Updating the Evaluation Policy drawing on the recommendations of the independent peer review

- Launching the R2 recommendation tracking system to enhance management response and follow-up

- Strengthening capacities of the WFP evaluation cadre and expanding access to qualified evaluators

- Careful coordination of evaluations to maximize learning across WFP

- Implementing updated quality systems for all evaluation types

- Engaging in partnerships to enhance evaluation practice and promote evidence use
