Operational Updates

- According to Cadre Harmonisé food security analysis report issued in March 2021, 1.3 million people are estimated to be food insecure during the June-August lean season when food stocks are lower, as families await a new harvest.

- As of the end of August, during the ongoing lean season WFP assisted around 400,000 resident vulnerable people and host communities, and around 180,000 IDPs in the central and northern regions of the country. The Food Security Cluster together with the Government working group identified a gap of 500,000 people. The Ministry of Finance approved the disbursement of World Bank funds to WFP to fill this gap. Through its Immediate Response Ration mechanism, WFP plans to cover around 25,000 people affected by the floods: USD 1.3 million has already been programmed and distributions will start in mid-September.

- In Mali, WFP positioned itself as a technical and financial advisor for the preparatory work of the national Malian food systems summit on areas such as: nutrition-sensitive value chains, climate-risk insurance, innovative technologies, women and youth empowerment via sensitive value chains, climate food systems summit on areas such as: nutrition-sensitive value chains, climate-risk insurance, innovative technologies, women and youth empowerment via

**Monitoring**

Each month, in July and August 2021, monitoring data was collected from 319 sites including 101 community health centres (CScom), 125 schools and 45 markets. An outcome monitoring survey for resilience and emergency operations is currently underway across six regions with results expected in September. Preparations for the annual ENSAN survey are in early stages, with trainings for monitors expected in start mid-September. The survey will take place between September 30th and October 22nd.

**Protection and Accountability to Affected Populations**

To increase awareness on WFP’s hotline in Mali as part of its Accountability to Affected Populations, WFP, in partnership with Studio Tamani/Fondation Hirondelle, developed in June an audio spot in local languages to be broadcast on community radios. The programme is due to run for three months from July to end of September 2021.

In August, capacity strengthening sessions were held for the Koulikoro, Timbuktu, Gao and Mopti field offices on WFP protection, accountability to affected populations, GBV, disability at WFP, PSEA and child protection. This involved 68 people, including 50 partners.

**Funding**

WFP urgently needs USD 25.6 million for the next six months (September 2021 – February 2022) to ensure timely and adequate emergency response during the last months of the lean season.
