Note: For crises response the entire country is considered.
Guatemala CSP Line-of-Sight - Nov. / 2017
(STRATEGIC OUTCOMES AND ACTIVITY MANAGEMENT)

**Strategic Outcome 1**: Children under 2 years of age in prioritized areas with elevated stunting rates have reduced prevalence of stunting by 2021. (SDG 2.2)
- **SR 2. End malnutrition (SDG 2.2)**
  - **Activity 1**: Provide specialized nutritious foods to children 6-23 months and behavioral change communication (BCC) to ensure nutrient adequacy of the diet of the targeted population. **USD 10 M**
  - **Activity Category**: Malnutrition Prevention Activities
  - **Context**: Root Causes

**Strategic Outcome 2**: National institutions and programmes in Guatemala, including social protection systems, are enabled to reduce food insecurity and malnutrition in all its forms, including in post-crisis situations by 2021. (SDG 17.9)
- **SR 5. Capacity Strengthening (SDG 17.9)**
  - **Activity 2**: Strengthen government capacities in the reduction and prevention of all forms of malnutrition, gender, emergency preparedness and response, as well as policy planning. **USD 4 M**
  - **Activity Category**: Institutional capacity strengthening activities
  - **Context**: Resilience Building

**Strategic Outcome 3**: Food-insecure communities and individuals in areas affected by climate-related shocks are able to address the impacts of these events on their food security and nutrition, as well as to adapt to climate change and build resilience by 2021. (SDG 2.3)
- **SR 4. Sustainable food systems (SDG 2.3)**
  - **Activity 3**: Provide food assistance for asset creation in climatic change and other shocks. **USD 20 M**
  - **Activity Category**: Asset creation and livelihood support activities
  - **Context**: Resilience Building

**Strategic Outcome 4**: Small farmers in areas with potential surplus for diversified nutritious food production have greater access to markets by 2021. (SDG 2.4)
- **SR 3. Productivity and Income (SDG 2.4)**
  - **Activity 4**: Strengthen capacities of smallholder organizations for stronger production systems that will allow them to access wider markets in an equitable and fair manner; purchase production surplus of smallholder farmers and foster access to institutional markets or public social programs. **USD 2.8 M**
  - **Activity Category**: Smallholder agricultural market support activities
  - **Context**: Crisis response

**Strategic Outcome 5**: Population in areas affected by socio-economic or natural shocks can satisfy their basic food and nutrition requirements during emergencies. (Emergency/Contingency) (SDG 2.1)
- **SR 1. Access to food (SDG 2.1)**
  - **Activity 5**: Provide capacity strengthening to farmers’ organizations and their farmers on the role of women in the value chain. **USD 0.7 M**
  - **Activity Category**: Smallholder agricultural market support activities
  - **Context**: Crisis response

**Overall Budget Projected**: $67.5
**Forecast**: $49.6
**% Funded -Projected**: 74%
SR 2. End malnutrition
(SDG 2.2)

Strategic Outcome 1:
Children under 2 years of age in prioritized areas with elevated stunting rates have reduced prevalence of stunting by 2021. (SDG 2.2)

USD 10 M

Activity Category:
Malnutrition Prevention Activities

Activity 1.
Provide specialized nutritious foods to children 6-23 months and behavioural change communication (BCC) to ensure nutrient adequacy of the diet of the targeted population.

USD 10 M

Context: Root Causes
SR 5. Capacity Strengthening
(SDG 17.9)

Strategic Outcome 2:
National institutions and programmes in Guatemala, including social protection systems, are enabled to reduce food insecurity and malnutrition in all its forms, including in post-crisis situations by 2021. (SDG17.9)

USD 4 M

Activity Category:
Institutional capacity strengthening activities
