

**MOVING FORWARD ON  
PROTECTION:  
HOW WFP IS BUILDING  
SAFER ENVIRONMENTS  
FOR BENEFICIARIES**

---

Tuesday, 11 June 2019, 08.30

– 09.45

Aula I – Aula Delegatis, WFP  
Headquarters

World Food Programme

SAVING  
LIVES  
CHANGING  
LIVES

1. Protection concerns  
in WFP operations

2. Protection issues  
related to food  
insecurity

3. Protection issues in  
the broader  
operational context

## Vision

WFP's presence and programmes support affected people's ability to meet their food needs in a safe, accountable, and dignified manner that respects their integrity

### AREA FOR ACCELERATION 1

Analysis and  
implementation:

*Implementation  
of protection, AAP, and  
inclusion in operations and  
Country Strategic Plans*

### AREA FOR ACCELERATION 2

Partnerships:

*Entering new and  
strengthening existing  
partnerships for  
field implementation of  
protection, AAP,  
and inclusion*

### AREA FOR ACCELERATION 3

Systems:

*Corporate systems,  
processes and tools  
ensure field level  
implementation is  
strategic and accountable*

### AREA FOR ACCELERATION 4

Leadership and expertise:

*Investment in stable  
staffing with commitment,  
competence and  
expertise to accelerate  
action*

THEMATIC PRIORITY 1

Conflict sensitivity

THEMATIC PRIORITY 2

Humanitarian access

THEMATIC PRIORITY 3

Humanitarian-development-peace nexus
